## » OSU ALUMNI ASSOCIATION INFORMATION

The Cowboy family connects with each other and the university every day through the OSU Alumni Association. Founded by the university’s first six graduates in 1897, today’s organization serves more than 230,000 alumni and friends with programs for Cowboys of all ages.

Through the Alumni Association, Cowboys get involved with the OSU family, stay informed of alumni and campus news, give back to support university initiatives, and show their pride in America’s brightest orange. As a dues-based organization, we are funded primarily through the support of more than 30,000 loyal and true members.

Alumni Association membership is one of the easiest and most affordable ways to advance your connection for life to OSU and impact the university every day. Membership provides alumni and friends with a host of valuable benefits while also supporting OSU alumni and student programs.
